STATEMENT OF NON-GOVERNMENTAL RELIGIOUS ACADEMIC RECOGNITION

TO WHOM IT MAY CONCERN

This is to certify that Alpha Bible College is a duly registered religious educational institution in Pakistan, offering theological education and ministerial training in accordance with biblical doctrine and ecclesiastical standards.

Legal & Constitutional Context

According to Article 20 ("Freedom to profess religion and to manage religious institutions") and Article 22 ("Safeguards as to educational institutions in respect of religion") of the Constitution of Pakistan, religious communities have the freedom to establish and manage their own educational institutions without governmental interference.

Furthermore, based on national policies and constitutional provisions, religious institutions such as Alpha Bible College are not required to obtain academic accreditation from governmental bodies (e.g., HEC). Therefore, while degrees issued by Alpha Bible College are not recognized by governmental academic authorities, they are fully legitimate and valued within ecclesiastical, church, and ministry contexts—both in Pakistan and internationally.

This statement clarifies that the theological degrees (Diplomas, Bachelor's, Master's, and Doctoral programs) offered by Alpha Bible College are:

- **Ecclesiastically recognized and theologically sound**
- **Academically administered with transparency and integrity**
- **Spiritually enriching and valuable for ministry and religious leadership**
